The 2018-2019 placement schedule includes monies as provided by A.R.S. § 15-952. In the event the District does not receive 2018-2019 school year monies, the placement schedules will be reduced accordingly.

This placement schedule **DOES NOT** include monies (\$1,500) as provided by Proposition 301, A.R.S. § 15-977. The district will allocate said monies once final budget preparation is completed and monies have been received. The \$1,500 Proposition 301 money is paid out as a stipend.

Performance pay of up to \$5,000 for teachers who qualify and meet performance criteria.

The District and the Teachers have no expectations of such funds being available in future years. Any funds received under A.R.S. § 15-977 are for one year only and not subject to overall budget reduction restrictions as described in A.R.S. § 15-544.
