The 2017-2018 placement schedule includes monies as provided by ARS Section 15-952. In the event the District does not receive 2017-2018 school year monies, the placement schedules will be reduced accordingly.

The 2017-2018 placement schedule **DOES NOT** include monies as provided by Proposition 301, ARS 15-977. The district will allocate said monies once final budget preparation is completed and monies have been received.

The District and the Teachers have no expectations of such funds being available in future years. Any funds received under ARS Section 15-977 are for one year only and not subject to overall budget reduction restrictions as described in ARS Section 15-544
